The Genesis of fidequiz fidequiz was launched in 2021 by a consortium of chess enthusiasts and educational technologists aiming to create a comprehensive, engaging platform for chess trivia, knowledge testing, and learning reinforcement. The platform's name combines "FIDE" (the International Chess

The founders recognized that while traditional chess training emphasizes tactical exercises, endgame studies, and openings, there was a niche for accessible, fun, and educational quizzes that could cater to a broad audience—from beginners to grandmasters. Their goal was to bridge the gap between formal chess education and casual learning, making the game more approachable and enjoyable.
