Foundational Concepts in Film Finance and Distribution

- 1. Pre-Sales**Pre-sales refer to the practice of selling the rights to distribute a film in specific territories before the film has been completed. This strategy provides filmmakers with upfront capital, reducing financial risk and financing the production.
Key Points:Typically involves selling territorial rights (e.g., North America, Europe, Asia).Buyers are often distributors or sales agents.Pre-sales are based on the screenplay, cast, director, and genre, as the film isn't finished yet.
